ONLINE SAFETY DAY

WHAT IS ONLINE SAFETY DAY

- Online safety day is the day that is the UK's biggest celebration of online safety.
- You can also learn how to be safe online as well .
- It's been celebrated since 2004 and takes place on the second Tuesday in February - this year it's on 6 February
- We are learning about what is scam, scam is a way to trick people so that others can give them money or other things.

INTERNET SAFETY DAY

- Lots of game have people saying that you will get game points if you give them usernames or emails.
- Make sure you DO NOT take this offer unless it is from the game or a friend.
- Did you know that just under %41 of kids fall for this scam.

IS THIS A SCAM?

- When you are playing Minecraft but someone said if you give them diamonds they will give you minecoins.
- scam
- not a scam
- give them it

THE ANSWER IS SCAM.

IS THIS A SCAM?

- When you are connecting to the wifi and it need you to do your email password will you type it in?
- yes I will type it in
- no I will not type it
- middle

THE ANSWER IS MIDDLE

- Because sometimes it can be a fake net work that can hack in to your account.

YOURSELF FROM SCAMMERS

- . You can do this by telling an adult
- . Do not answer calls from unknown numbers
- . Do not give any information digital or personal
- . By setting a strong unique password that contains different characters

scam

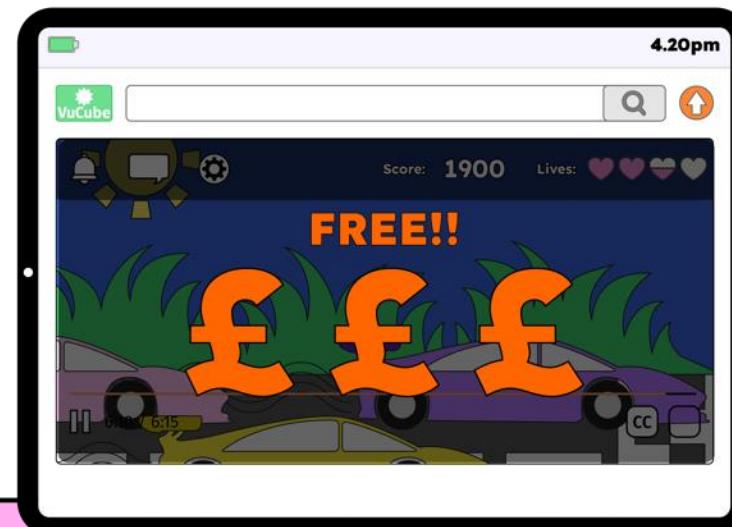

WHAT IS PHISHING?

- Phishing is the same meaning as scam.
- Scammers use phone calls or messages to trick you to buy something so they will give you something.
- If a random guy call, you should block them and tell a trusted adult.

WHO CAN YOU SPEAK TO ABOUT CONCERNS?

- You can speak to a trusted adult in school like Mr Hatton, Mrs Bedworth and your teacher.
- When at home you can speak to a trusted adult like your mum , dad or care taker / guardian.
- You can also speak to older siblings when at home.

WHAT IS A GOOD PASSWORD? WHY IS IT IMPORTANT?

- A good password contains a unique sequence that nobody will guess except you and your trusted siblings/parents.
- If it a game password, you will need different characters including dashes and numbers.
- It is important because hackers will try to steal personal information out of your private account.
